

MMAC and the miners would like to thank Public Lands for the People (PLP) and all the dedicated volunteers that contributed to the court case successes over the years. Thank you for taking the lead on behalf of the mining community for better than a quarter century. A special thank you goes out to the volunteers who donated their time and energy to represent PLP at shows and functions around the United States, which without their support PLP would not have existed.

To the board at large and especially Walt, Jerry and Ron. Thank you for leading PLP after Jerry Hobbs past away. Jerry was very proud of you guys and grateful for what you did for PLP. Clark, thank you for lending your expertise of mining law while working with the attorneys to prosecute PLP's court cases. Welcome to MMAC Clark.

The miners and mining districts have witnessed a rapid growth with MMAC as a benefit to our independent association with PLP. As MMAC moves on we will all remember who supported PLP and we will miss the rank and file of PLP. Join us to continue the offensive fight at MMACUSA.ORG.

MMACSM has stepped into and leads a new exciting offensive era with the Power of The Mining DistrictsSM Congress and you. We invite you to join MMAC at MMACUSA.ORG.
